**W**e are so happy to announce that we are back on the boat! **Live Well. Go Fish.** provides boating and fishing activities for senior citizens, veterans, youth and young people with disabilities. They utilize a specifically equipped wheelchair accessible pontoon boat that enables guests to safely enjoy the freedom and therapeutic health benefits of being outdoors for a lake cruise, fishing, air and sunshine. It sure was great to be able to see all those smiles again!

With the 4th of July quickly approaching, we would like to give you some helpful tips on firework safety:

- A responsible adult should supervise with fireworks.
- Do not experiment with homemade fireworks.
- Dispose of spent fireworks in a metal container of water and away from flammable materials.
- Light one firework at a time and move away quickly.

These are just a few safety tips. If you would like more information, you can go to this website: <http://www.fireworkssafety.org/safety-tips/> **Everyone have a safe and fun 4th of July!!!!**
