A LITTLE DIFFERENT HALLOWEEN

Ashley, CNA & Sylvia get silly for Halloween!

Halloween looked a little different this year than it has in the past. Despite the Covid restrictions, we were still able to make our residents and staff smile and enjoy some fun. We had Sports Day, Silly Hat and Sock Day, Wacky Wednesday, Orange Day, and Costume Day. ***It is important to be silly and see our residents laugh during this difficult time.*** Employees brought their children to the circle drive of Long Term Care; there they waved to a camera, which streamed to the residents' televisions so that the residents were still able to see the children in their costumes. It may have been a little different, but it was enjoyed just the same.

Let's Connect for Thanksgiving!

Video Chat meetings are available for our residents and families to connect during the Thanksgiving Holiday.

Your loved one may not be able to eat turkey with the family this year but we can set up a time to Video Chat via Zoom, Skype, or FaceTime with your family gathering. Have the kids share what they are thankful for, maybe Grandma can say a special prayer over the family from the comfort of her room at Long Term Care. Family members can take turns visiting with your loved one and wishing them a Happy Thanksgiving!

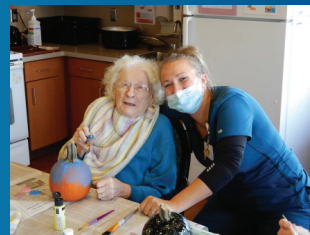

Half hour time slots are available Wednesday (11/25) thru Saturday (11/28).

Please contact Angela at 402-443-4685 by Tuesday, November 24th to schedule a time.
