

# the *Best Care* for *Mom & Dad*

## Everyone Loves a Parade!

A parade can brighten anyone's day, and for the residents this parade had special meaning. Family members gathered for a drive thru parade to be able to see their loved ones. Many families have not been able to see each other for some time and this was an opportunity to do so while still maintaining a safe distance. This parade was able to bring laughter, smiles, and a few tears to residents, families, and staff. During this difficult time, we strive to provide memories and moments of joy for everyone to hold onto.

## Covid-19 Update

All of the Long Term Care staff and residents were tested for Covid-19 this last month. SMC Family Care Clinic nurses did a great job of reassuring patients and performing the tests smoothly and quickly. All of the residents' test results have been negative. We credit this to our great staff taking proper precautions at work and at home, the wisdom of our leadership team as they make decisions regarding how best to protect the residents, and also to our understanding families who continue to be involved any way possible while not being able to come into the facility.

We are currently working with Three Rivers Health Department and Nebraska ICAP (*Infection Control Assessment and Promotion Program*) on how to safely allow visitors in the near future.

## Making The Difference!

♥ APRIL EVANS

### HOMETOWN

Elkhorn, Nebraska

### JOB OVERVIEW

I am a Charge Nurse at Long Term Care and recently accepted the position of Interim LTC Staff Education Coordinator.

### WHEN DO YOU SEE RESIDENTS SMILE THE MOST?

When they get to see their families.

### FAMILY

I have four brothers & three sisters. I have three boys. I met my biological dad for the first time last year.

### SOMETHING I'D LIKE TO ACCOMPLISH

I'm currently building a shouse (shed/house); I can't wait to finish it! I'd also like to learn to drive a skid loader to feed and water the cows.

### OUTSIDE INTERESTS

I love the outdoors, fishing, and taking quick trips.
