Recovering from an illness, injury or surgery? We can help!

Saunders Medical Center's Nursing Home offers much more than Long Term Care. We also offer Post-Acute Rehabilitation to those recovering from an illness, injury, or surgery. We have an excellent Multi-Disciplinary Team that consists of Nursing staff, Social Worker, Therapy Department, Certified Dietitian, Pharmacists, and our own Medical Director. This team assists you on your road to recovery. For additional information, please call us at 402-443-4685 or stop in for a tour!

It was a busy "Boo in Wahoo!"

Halloween was a busy day at Saunders Medical Center and Long Term Care. The residents participated by dressing up and handing out candy. Over 1,700 people came through to do some Trick or Treating this year. The residents were then treated to grilled hot dogs for supper.
