

# the *Best Care* for Mom & Dad

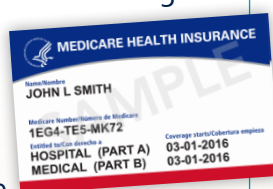

**Creating Moments of Joy** Moments of joy and happy memories are often stirred up when we put something in the hands of our residents. Dave Ruder and his **Live Well. Go Fish.** volunteers helped us provide some great moments of joy recently. We took our residents out on their specially designed pontoon boat and put fishing poles in their hands! Old memories were shared and new memories were made. It was pure joy for everyone!

## New Medicare Cards Being Issued

The Centers for Medicare and Medicaid Services have started issuing new Medicare cards, without Social Security Numbers, to prevent fraud/identity theft. New cards will now have a unique, randomly-assigned number. It consists of eleven characters, letters and numbers. New cards started being issued in April. As you soon as you receive your new card, you can start using it right away. ***Please be sure to see Karen Miller, Social Service Coordinator, when you receive your new card.*** She will make a copy of it for your chart!
