

# the Best Care for Mom Et Dad

## We had the best time celebrating National Skilled Nursing Care Week!

**MONDAY:** We took the "Country Roads" for a western day with a music performance by Othy the Modern Cowboy.

**TUESDAY:** We enjoyed animal visits from Wildlife Encounters.

**WEDNESDAY:** We wore blue and danced to the "Blue Skirt Waltz" performed by Kevin Koopmann Polka Trio.

**THURSDAY:** Was a perfect sunny day for Hawaiian attire and Kona Ice.

**FRIDAY:** We ended the week with Music by Rich Patton & grilling out for staff and residents.

### Keeping Our Residents Safe

You may notice new signs throughout the facility and staff wearing gowns and gloves for high-contact care activities. We are using **Enhanced Barrier Precautions** to help protect our residents from dangerous germs. These germs can cause infections that are hard to treat. Enhanced Barrier Precautions allow us to provide safe, high quality care and help stop the spread of germs within our facility. Please visit with Michelle or Jaclyn if you have any questions.

## Making The Difference

♥ **KARY MALY**

**HOMETOWN**  
Weston, Nebraska

**JOB OVERVIEW**  
I have worked at SMC for 1 year and 7 months. I work in many areas of the Hospital and Long Term Care as a Central Services Tech, Sterile Processing Tech, CNA and Med Aide.

**FAVORITE ACTIVITY WITH RESIDENTS**  
The Kona Ice Truck came recently and we had snow cones for staff and residents. Everyone one enjoyed them and it was some of the residents' first time eating one!

**FAMILY**  
My husband Trevor and I have been married for 5 years. I have a son Waylon, a stepson Miles and a baby on the way (due in November!). We live on a farm and raise cows, pigs, and chickens and have a dog named Roscoe.

**GOAL**  
I would like to get my LPN.

**Covid-19 Note—**

Covid-19 continues to spread throughout the community. Please consider and discuss the new Covid vaccine with your physician. Please protect our residents by not visiting if you have ANY symptoms of Covid or have tested positive for Covid recently.
