

the *Best Care* for Mom & Dad

We celebrated **National Skilled Nursing Care Week** May 10-16. The events looked a little different this year due to the current Covid precautions, but we still managed to have some fun and enjoy some laughs together. This year's theme was "Sharing our Wisdom." The residents shared some of their best advice with staff. We had a visit from a pink flamingo that was ridden by Laura from Activities, Dr. Andrew Opp and Dr. Hank Newburn joined members of the management team in a stick horse race, and we enjoyed root beer floats. We are thankful to always be able to find something fun to brighten everyone's day. ***See videos on Saunders Medical Center's Facebook page!***
