MASTER ANGLER AWARD

This past fall, while on a boat ride/fishing trip at Lake Wanahoo, SMC Skilled & Long Term Care resident Marcy reeled in a 16 inch bullhead using a worm and a jig. David from Live Well. Go Fish., sent in the information and Marcy was presented with her Master Angler Award from the Nebraska Game and Parks Commission late January. Marcy stated the only thing she ever caught was her husband. She was so thrilled to receive her Award. We cannot wait to get back on the boat again this summer!

Electronic Health Records Updated to further improve communication

On February 7th Saunders Medical Center is converting to a new electronic health record, Cerner CommunityWorks. The Hospital, Clinic, and Long Term Care will now be using the same system throughout the facility. This means

efficient communication and true continuity as our residents receive care from different areas at SMC.

Thank you for your patience and understanding as we learn our new system!
