IT'S A WILDLIFE SAFARI!

Some of the residents took a bus trip to the Lee G. Simmons Conservation Park & Wildlife Safari. This drive-through park is located just outside of Ashland. Elk, buffalo, and pelicans were some of the animals they were able to see wandering around in their natural habitat. The residents also enjoyed a picnic lunch while on the trip. It was a beautiful day to get out for an adventure.

Wear Pink & Get Your Mammogram

Wear Pink to raise awareness for Breast Cancer. October is Breast Cancer Awareness Month. Breast Cancer is one of the most common cancers in women, but with screening and early detection, survival is high. Regular screens, physical activity, smoking cessation, and eating a low-fat diet with fruits and vegetables are all factors that can decrease your risk.

Get your pink on to show your support for Breast Cancer Awareness!
