

The best care for Mom & Dad

Is it a kiss or a carrot? ALPACAS ON SITE!

We were excited to host our friends from JP Acres Alpaca Farm in Lincoln, Nebraska this month!

JP Acres welcomes visitors to picnic with the alpacas for a safe, family friendly event on a local alpaca farm. As you can see we all got a good laugh watching them eat carrots from our mouths!

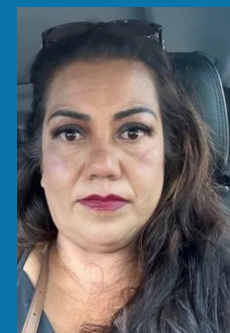

Enjoy the Sunroom!

The Lurine B. Little Sunroom is a bright, welcoming space for residents and families. It can be reserved for up to two hours through Angela at the front desk; weekend requests can be approved by the charge nurse. Need extra chairs? Just ask ahead! The room holds up to 25 people. It remains a shared space, so other residents may stop by during your time.

Feel free to bring non-alcoholic food and drinks, and please clean up afterward. Thank you for helping keep the Sunroom enjoyable for everyone!
