## *Santa Claus came to town!*

Santa made a special visit to Skilled & Long Term Care, delivering gifts to all!

## **Fire Safety Update**

With guidance from the State Fire Marshal, we are required to make sure certain criteria are met regarding decorations in health care settings. One of the requirements is that anything hung on the door of the resident room needs to be sprayed with a fire-retardant spray. To ensure this is happening, our staff will be spraying decorations hung on resident doors once a month. Please do not place anything on the door that you may not want sprayed as we cannot guarantee the spray will not leave some spots. We are not required to spray photographs or paintings so this does not apply to those types of things. *Thank you for your cooperation and understanding.*
