

the best care for Mom & Dad

This past July we found ourselves enjoying many adventures. Watching fireworks, going to the Wildlife Safari, swinging outside on the swing, and painting with watercolors were just a few of the activities that kept us busy. Stay tuned to see where our adventures take us next month.

Cozy & Safe Tips

Here are some tips for making sure our residents' rooms are comfortable and safe.

Storage Space is limited. Please check for items that are no longer used or worn out and remove them from your loved one's closet.

Electrical Outlets If more plug-ins are needed, we can provide an approved, hospital grade power strip.

Furniture A few items from home can be very comforting. Please consider that staff will need room to maneuver as they assist your loved one and furniture will need to be moved around for cleaning.
