

the Best Care for Mom & Dad

CELEBRATING NATIONAL SKILLED NURSING CARE WEEK

Long Term Care celebrated with visits from our friends at Scatter Joy Acres, bingo, music from Billy Troy with Merry Makers, Kolaches, a boat ride with the Live Well Go Fish organization, games with staff, alpaca visits, and KONA ICE!

THE LONGEST DAY

- ▶ In 2020, 35,000 Nebraskans age 65 were living with Alzheimer's.
- ▶ By 2050, a projected 13 million Americans will be living with Alzheimer's.
- ▶ In 2022, 18 billion hours of unpaid care was provided by 11 million Americans for individuals with dementia.

Each day can seem like the longest day for those affected by Alzheimer's and dementia and their caregivers. On June 21, the day with the longest amount of daylight, we will stand with these individuals to honor their strength, celebrate each person's unique story, and show they are not alone.
