HAPPY EASTER & SPRING!

We were delighted to host an Easter Egg Hunt for our employees and their families! More than 50 children joined in the fun, searching for eggs and enjoying special photo opportunities with the Easter Bunny and a cheerful chick. It was a wonderful day filled with laughter, smiles, and time spent together.

Flooring Update

We have begun installing new laminate flooring in the residents' rooms. As we work with the flooring company, we strive to cause as little disruption to our residents' usual routines as possible. Two residents who share a bathroom are moved with their belongings to empty rooms during the day while the work is being done. They are able to move back to their original space with the new flooring by supertime and sleep in their familiar room. We thank everyone for their understanding and help which has made this a smooth process.
