Fun Activities

We were able to get out and enjoy our first outing this summer with a trip to Willow Point Gallery. Willow Point Gallery is located in Ashland, Nebraska and features fine art by Gene Roncka and the Big Game Collection of Archie Hightshoe.

LTC Update

The Lurine B. Little Sunroom is progressing on schedule. The roof is shingled, windows will be installed by mid-July, and we look forward to enjoying our amazing sunroom at the end of August!

New dressers and nightstands are ordered to replace the tall dressers in many residents' rooms. As technology has advanced, televisions are bigger and no longer fit in the shelf of the older dressers.

Saunders Medical Center is updating the internet and television services throughout the building. Patients and visitors will have access to more channels with reliable, high quality service in the near future. Lot's of great things are happening at Long Term Care!
